I Wonnell Ringgold would like my case to be re-opened AS soon AS possible please. I will never Rest or let this CASE go, until Justice is Done. I would like to say I WAS moved From one prison, To Another, When I WAS moved From Howard R. Young, To Central Violation Center, I had no Help - what's so ever, AS to meeting the REQUIREMENT that WAS asked of me during that time AND I did the best I could Do to my surrounding. I Also wrote and explained that At the ~~time~~ time of my stay At Central Violation Center I did not have ACCESS to the tool or information that ~~was~~ WAS needed For me to CONTINUE ~~FORWARD~~ FORWARD in my CASE. Then I WAS moved to Plummer Center, I explained all this to my Counselor, AND that the matter, would be taken CARE OF. I WAS wondering what happen about this matter, AND when I got this ~~letter~~ letter, From my PROBATION OFFICER, I WAS very up set AND still AM. To me this is A very serious matter, So please re-open my (CASE). THANK YOU
